

Hello all!

The newsletter was already sent to Ron before I could write this message, so thought I would send a special message to you. It is time for us to re-evaluate our meeting room. Today, the board had the chance to look at a place and think it would meet our requirements for our meetings. Although we have appreciated the space at Kirkwood Community Center, it may be time to move on. There are several reasons that we feel that this would be a good place to have our meetings.

1. It has Wi-Fi. We are limited to showing only videos, DVDs, and cannot show you what is on the web, including our own website, the walk website, the national website, etc.
2. Parking - we will no longer have to fight for a parking space. The building is dedicated parking.
3. Storage - they have storage where we can keep the sound system and other items so we don't have to continually haul stuff back and forth.
4. We can loop the room if we choose to do it.
5. Convenience - although it is farther for those of us who drive from the north, it is overall just about 3 miles from where we meet now.
6. It is free! We currently pay around \$50.00 per meeting.

We will be voting about the meeting change on September 20. If you have an opinion, please email Kathy Patrick (kathyp2880@gmail.com) or Mary Stodden at marystodden@att.net about your thoughts on this change! Thank you!

The address is Deaf, Inc., 25 Frisco, St. Louis, MO. It is pretty much at the intersection of Interstate 44 and Elm Street.

Thanks,

Mary Stodden
